

All Round Mary Ward Scholarship

Our All Round Scholarships are available to girls who can show exceptional talent in more than one area. Mary Ward said, "Girls in time will do much." We encourage applications from those girls who are likely to contribute exceptionally well to the overall life of the school.

Our Mary Ward Scholarships are available at 9+, 11+, 13+ and 16+ and are awarded to girls who will contribute to the school as a whole through their abilities in more than one area.

We require girls to be able to demonstrate a high standard in Art, Dance, Drama, Music or Sport as well as having good academic ability. Girls are also expected to live by the Mary Ward ethos which is at the very heart of the school.

Candidates for the Mary Ward Scholarships will be assessed through interview, and during the relevant scholarship days. Girls must provide the school with a letter of motivation and some evidence of ability in their chosen areas.

Successful candidates must have passed the school's entrance exam.
