

Drama Scholarships

ST MARY'S
SHAFTESBURY

There is a long history of excellent drama and musical theatre at St Mary's. We hold regular, high-standard productions with nearly all pupils getting involved in all aspects, from costume and set design to lighting and sound engineering as well as acting and singing.

Drama Scholarships (for entry into Years 5, 7, 9 and 12)

Drama Scholarships will be offered at 9+, 11+, 13+ and 16+ to girls who can show exceptional creative flair, a strong use of movement and voice, good imagination and an active interest in theatre. We would expect candidates to have some performance experience outside of their school environment although this isn't essential.

Assessment will take place through an audition where the candidate will be expected to perform two short (two minute) monologues as well as being interviewed by the Head of Drama. Candidates may be asked to partake in an improvisation workshop.

The successful candidates must have passed the school's entrance examination.
